ORGANIC VINEGARS

BALSAMIC VINEGAR UVA'SÓ

Packaging: bottle of 250ml, 500ml and 5L

Obtained by an addition of organic sugar and vegetable extracts (herbal and oak) to the organic vinegar.

RED WINE VINEGAR UVA'SÓ

Packaging: bottle of 250ml, 500ml and 5L

Produced by natural and slow fermentation of organic wine derived by vinification of grape juice.

ORGANIC GRAPE SEED POWDER UVA'SÓ

Packaging: 100g and bulk.

Made of non-fermented organic grape seeds that result from the cold extraction process of the grape seed oil, the flour being very rich in antioxidants and fibers. It has a neutral flavour and can be added to sweet as well as savoury recipes such as bread, pasta, pancakes, yogurt, granola.

ORGANIC GRAPE SKIN POWDER UVA'SÓ

Packaging: 100g and bulk.

As the grape seed flour, it can also be used to enrich various preparations. Its important differentials are colour, aroma and flavour that gives the products to which it can be added. Among other antioxidants, it contains the powerful resveratrol.
